Consonants-Beginning - B: Teacher Directions

Say: We are going to listen to beginning sounds. We will do the sample together. Look at the picture of the **bed** at the top of the page. Look at the four words beside the **bed**. Raise your hand if you can tell me which of the four words begins with the same beginning sound as **bed**.

Call on a student and encourage a reply.

Say: That's correct. You should circle the word **boy** because **boy** begins with the same beginning sound as **bed**.

Now we will do some more.

1. Look at the picture of the **squirrel**. Circle the word that begins with the same beginning sound as **squirrel**.
2. Look at the picture of the **king**. Circle the word that begins with the same beginning sound as **king**.
3. Look at the picture of the **people**. Circle the word that begins with the same beginning sound as **people**.
4. Look at the picture of the **store**. Circle the word that begins with the same beginning sound as **store**.
5. Look at the picture of the **shoe**. Circle the word that begins with the same beginning sound as **shoe**.
