## Consonants-Ending - A: Teacher Directions

Read the directions below aloud and help students complete the sample.

**Say:** You are going to be listening to words that end with certain sounds. I will say a word that names a picture. You will fill in the circle under the word that ends with the same ending sound as the word that names the picture. First we will do one together.

Put your finger on the picture of the **book**. Circle the word in this row that ends with the sound that you hear at the end of the word **book**.

Give the students time to select their answers.

**Say:** The words **rake** and **book** end with the same sound. You should fill in the circle under the word **rake**.

1. Put your finger on the picture of the **heart**. Circle the word that ends with the same sound that you hear at the end of the word **heart**.
