

Mixed Phoneme Substitution

Name _____

Date _____

(Note: Slash marks / / denote that the **sound** of the letter is to be said, not the letter.)

Sample **Say:** I am going to ask you to change the sounds in a word. If I say *mouse* and say it again but change the /s/ to a /th/ the word changes to *mouth*. Say the word *sick*. Say it again but change the /k/ to a /t/.
(Pause for student response.)
Say: When you say the word *sick* but change /c/ to /t/ the word changes to *sit*.

		Correct
1.	Say: Say the word <i>can</i> . Say it again but change the /k/ to /m/. <u>Comments:</u> man	<input type="checkbox"/> yes <input type="checkbox"/> no
