tree

next

seats

shred

## Sample B

kite

given

happy

myself

1

cake

yesterday

master

said

2

pet

peach

bread

mean

3

hide

butterfly

snowman

sitting

4

took

teacup

couldn't

nicest

5

rug

something

blue

rancher

## Teacher Directions: Vowels - A

**Say:** You are going to be reading words and looking for certain sounds in the words. First we will do one together for practice. Look at Sample A at the top of the page. Point to the first word that is in the box on the left.

*Make sure students are in the correct place.*

**Say:** Read the word silently to yourself and look at the underlined letters.

*Pause while students read the word.*

**Say:** Now read the three words that are in the row. Look at the letters that are underlined in each word. Find a word in the row that has the same underlined sound as the underlined sound in the first word (in the box). Circle the word that has an underlined sound that matches the underlined sound of the word in the box.

*Pause while students mark their answers.*

**Say:** Let's check your answers. The first word is tree. The word tree has the letters ee underlined which make the /e/ sound, (long e). You should have circled the middle word, seats, because the underlined letters ea make the /e/, (long e) sound.

*Make sure all students have the correct answer circled.*

**Say:** Now try Sample B by yourself. Read the words and circle the word that has the same underlined sound as the underlined sound in the first word.

*Pause while students mark their answers.*

**Say:** You should have circled the last word, myself because the underlined y makes the same sound as the underlined i in kite.

**Say:** Now you will do some more on your own. Circle the word in each row that has the same underlined sound as the underlined sound in the first word.

VOWELS - A	
1.	yesterday
2.	bread
3.	butterfly
4.	couldn't
5.	something
