Teacher Directions: Vowels - B

Say: You are going to be listening to words and finding missing letters. First we will do one together for practice. Look at Sample A at the top of the page. Point to the sentence.

Make sure students are in the correct place.

Say: Listen as I read the sentence, **A rose is a type of flower.** The last word, *flower* is missing letters where the blank line is. Look at the three sets of letters under the sentence. Fill in the circle in front of the letters that belong on the blank.

Pause while students mark their answers.

Say: Let's check your answers. The sentence says A rose is a type of fl__er. The letters ow are missing from the word flower. You should fill in the circle in front of the letters ow.

Make sure all students have the correct answer filled in.

Say: Now we will do some more. Listen as I read the sentence. Fill in the circle next to the set of letters that belong on the blank in the word with the missing letters.

1. Say: Number 1: **You look so sad with that frown on your face.**
Fill in the circle next to the letters that are missing in the word *frown*.
2. Say: Number 2: **What is the weather like outside today?**
Fill in the circle next to the letters that are missing in the word *weather*.
3. Say: Number 3: **I like to eat chocolate chip cookies.**
Fill in the circle next to the letters that are missing in the word *cookies*.
4. Say: Number 4: **I am so thirsty I need a drink of juice.**
Fill in the circle next to the letters that are missing in the word *juice*.
5. Say: Number 5: **The dad clapped when his daughter played the piano.**
Fill in the circle next to the letters that are missing in the word *daughter*.
6. Say: Number 6: **The water is dripping from the faucet.**
Fill in the circle next to the letters that are missing in the word *faucet*.
7. Say: Number 7: **The scout troop will camp here tonight.**
Fill in the circle next to the letters that are missing in the word *scout*.
8. Say: Number 8: **I need to measure how long my desk is.**
Fill in the circle next to the letters that are missing in the word *measure*.
9. Say: Number 9: **It was so thoughtful of you to bring me a present.**
