Teacher Directions: Vowels - C

Say: You are going to be listening to words and finding missing letters. First we will do one together for practice. Look at Sample A at the top of the page. Point to the sentence.

Make sure students are in the correct place.

Say: Listen as I read the sentence, **I like to play in the sand at the beach**. The last word, *beach* is missing letters where the blank line is. Look at the three sets of letters under the sentence. Fill in the circle in front of the letters that belong on the blank.

Pause while students mark their answers.

Say: Let's check your answers. The sentence says **I like to play in the sand at the beach**. The letters *ea* are missing from the word *beach*. You should fill in the circle in front of the letters *ea*.

Make sure all students have the correct answer filled in.

Say: Now we will do some more. Listen as I read the sentence. Fill in the circle next to the set of letters that belong on the blank in the word with the missing letters.
