Letter Discrimination - A

Teacher Directions

Say: We are going to be looking at letters and finding the ones that are the same. Put your finger on the clock.

Make sure each student is in the correct place.

Say: Look at the four letters that are in this row. Find the two letters that are the same. Put a circle around the letters that match.

Pause while students circle their answers.

Say: You should have circled the second letter and the last letter because they are the same. Show students the two C's.

Say: Now you will find more matches on your own. Look for the four letters in each row. Circle the two that are the same.
